Sri H. SIDDAVEERAPPA.—Why I say this is that we have read in papers that two neighbouring Governments namely Andhra Pradesh and Madras seem to have disfavoured this session being held in their States. Why I am raising this is that we have not formed any opinion on this matter. Bangalore has already problems of its own, the most important of them being the drinking water problem. All these matters will have to be examined. If any session of Parliament is to be held here then it shall be the duty of the Central Government to bring here all the facilities that are needed. I understand that some thousands of rooms and various other things are required. Therefore, in bringing the Parliament Session here in order to satisfy our desire, it should not be to the detriment of Mysoreans. I do not want the Government to commit themselves without consulting this House.

Sri VEERENDRA PATIL.—There is no question of committing anything by the Government to anybody at this stage. And, in order to take the Opposition Members into confidence, because this is a major issue and we do not know what facilities they are going to ask in order to have the Parliament Session here in Bangalore. I have included the Leader of the Opposition also in that Committee and he is one of the members of that Committee. Naturally it is for the Leader of the Opposition to express his views in that Committee. I may assure the House that whatever decision we take, will be in the interests of the Mysore State and not detriment to the interests of the Mysore State.

Sri L. SRIKANTIAH (Nanjangud).—Sir, I have given notice of a Privilege Motion. It should have precedence over other matters.

Mr. DEPUTY SPEAKER.—It will be taken up on Saturday.

Sri L. SRIKANTIAH.—Sir, Saturday is a 'non-official' day and it cannot be taken up on Saturday!

Mr. DEPUTY SPEAKER.—Then it will be taken up on Monday positively.

POINT OF ORDER *re*: LAYING ON THE TABLE OF NOTIFICATION RELATING TO GADAG CO-OPERATIVE COTTON SALE SOCIETY LIMITED

Sri H. SIDDAVEERAPPA.—Sir, I rise to a Point of Order. You will have to kindly bear with me for a minute to explain fully what the Point of Order is. I gave notice of a Motion and I have received a reply from your office stating that my objection for laying this Notification on the Table of the House cannot be considered. That is all what is mantioned here and no reason is assigned. Therefore, I am raising this Point of Order. You will be pleased to see that so far as the subject-matter of this Notification is concerned, it relates to a Notification issued by the Government on 1st May 1968 relating to the control of Gadag Co-operative Cotton Sales Society Limited. No civilised Government, so far as my memory goes, can think of issuing a notification in the manner in which this Government did—not this Government, but the previous Government. That Notification is dated 1st May 1968. It is said that with regard to the Gadag Cotton Co-opetative Sales Society Ltd., they have tried to amend Section 29 of the Co-operative Societies Act by means of subordinate legislation and also the byelaws of the Society. So far as Section 29 of the Co-operative Societies Act is concerned, you will be pleased to see—it reads a follows :—

"29. *Nominees of the Government on the Committee of a co-operative Society*,—(1) Where the State Government—

(*a*) has subscribed to the share capital of a co-operative society, or

(*b*) has assisted indirectly in the formation or augmentation of the share capital of a co-operative society as provided in Chapter VI, or

(*c*) has guaranteed the repayment of principal and payment of interest on debentures issued by a co-operative society, or

(*d*) has guaranteed the repayment of principal and payment of interest on loans and advances to a co-operative society,
